401812

White Chrome

Automates Tank Toilets

Installs simply to the tank plumbing mechanism. Flexible installation fits most tank designs. Uses same reliable motor and cam gear technology used in our existing AutoFlush®. The tank handle remains operable for courtesy flushing.

Smart Object Infrared Technology

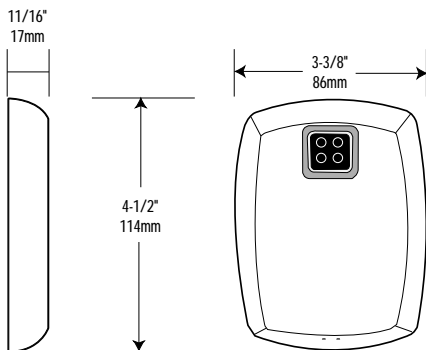

The AutoFlush® infrared *Object Lock Technology* controls flushing like no other system today. Ensures tank toilets are always flushed and presentable.

Easy 5 Minute Installation

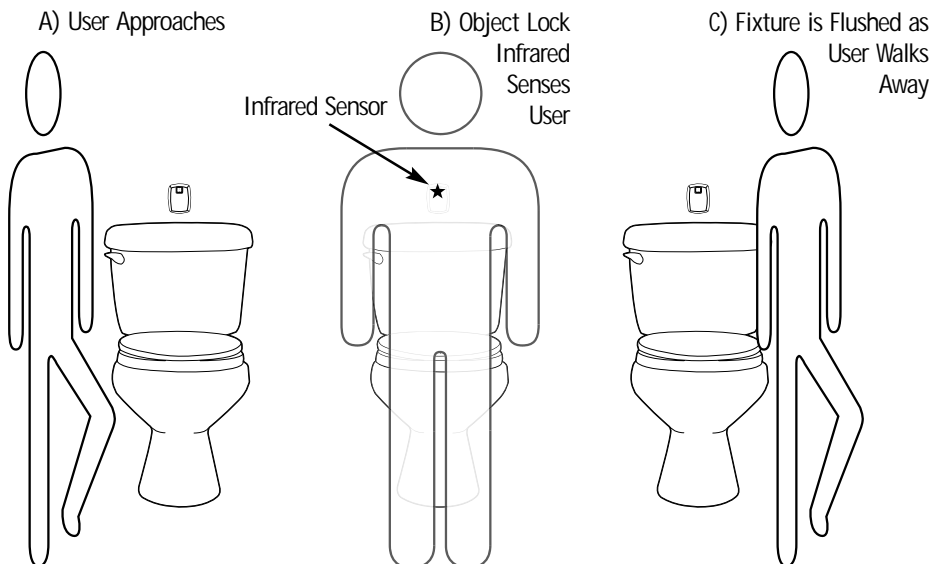

Simply install the motor and sensor assembly, insert supplied batteries, and you've just converted your restroom to a higher standard of hygiene.

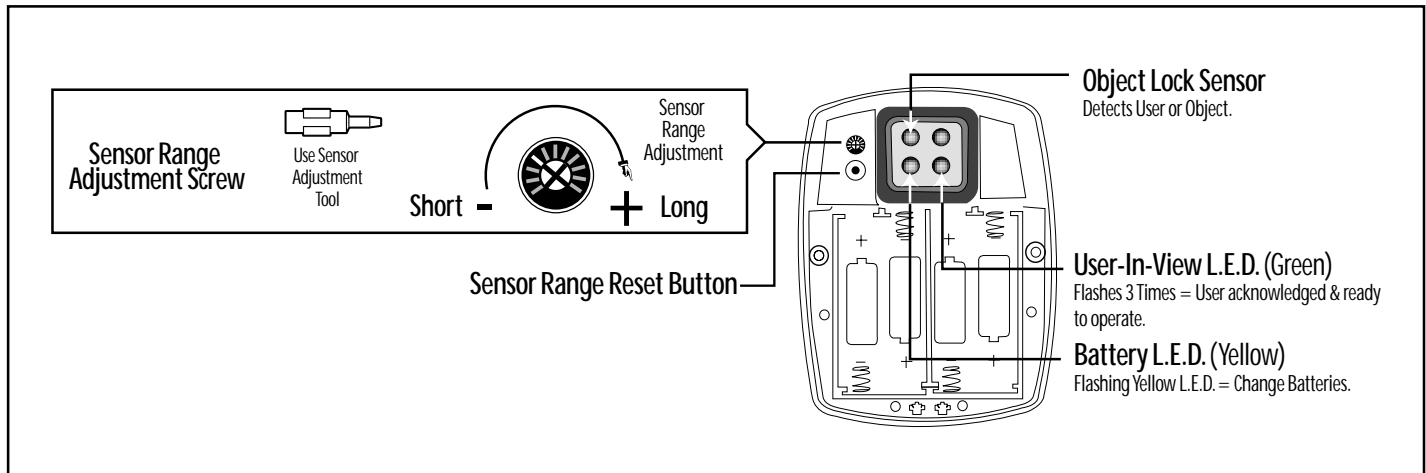

Case Pack: 6
Case Weight: 20 lbs.
Case Cube: 1.2

SANITARY NO TOUCH OPERATION
