Case Pack: 6
 Case Weight: 13 lbs.
 Case Cube: .66

Top Or Side Mount Installation

Battery Power Indicator

Flashing yellow light provides labor saving "at-a-glance" checking of batteries. Yellow light stops flashing when batteries are low.

Empty Refill Indicator

Flashing red light indicates it is time to insert a new Purinel refill. Eliminates all guesswork for maintenance personnel.

Long Battery Life

Smart Chip technology extends battery life for up to one year on one set of alkaline batteries... a big cost saving feature!

Refill Reset Button

Each time a refill is replaced, pressing this button resets the Smart Chip computer.

Keyed Lock

Prevents refill theft and changing of cleaning settings.

Features
