

Microburst™ 3000 Economizer

401442

Created for facilities on set service schedules.

- Incorporates all the same performance and reliability found in all of our dispensers.
- One dispenser controls up to 6,000 cu. ft. of space.
- Engineered to meet service cycles.
- Dispenser set to operate every 15 minutes.
- Microburst 3000 refill, will last 30 days.

Keyed Lock Available

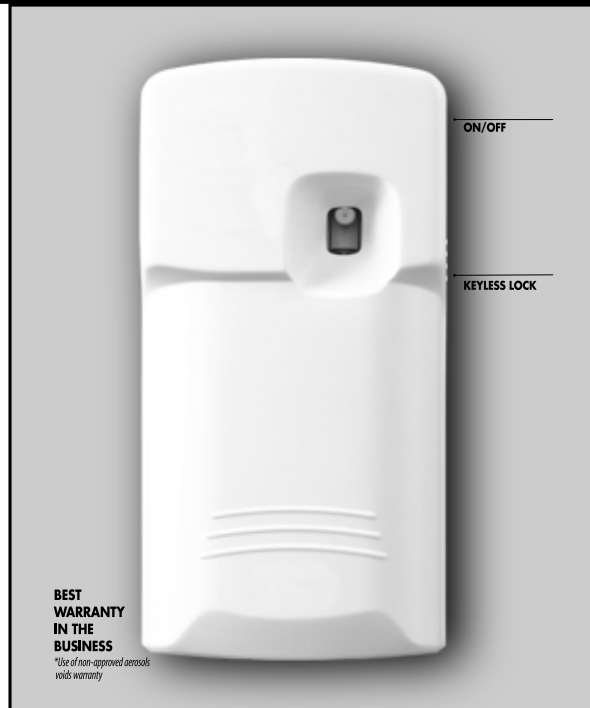

Optional keyed lock available to prevent tampering, pilferage, or disabling the dispenser.

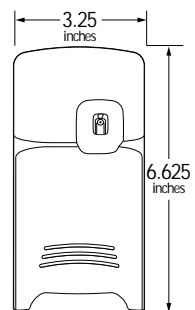

Long Battery Life

Monthly battery replacements are a thing of the past. Smart Chip technology extends battery life to two years or longer on one set of alkaline batteries... a big cost saving feature!

Operates on 2 C-Cell Alkaline Batteries. *(not included)*

Case Pack: 6
Case Weight: 6 lbs.
Case Cube: .28

Uses Microburst™ 3000 Aerosol Refills
