

AutoFresh™

Gel Dispenser

INSTALLATION INSTRUCTIONS

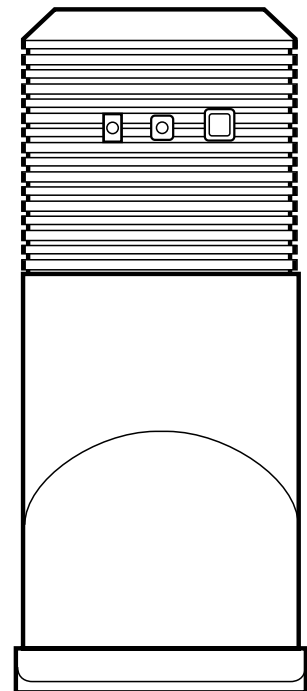

Wall Mounting:

1. Clean a smooth surface with the supplied alcohol pad and mount with tape included with the fan cabinet.
2. Peel off one side of tape and apply to back side of fan cabinet.
3. Peel off other side of tape and press cabinet to wall.
4. Use screws supplied in box for permanent installation. Be sure to position screws over wall stud for securing fan cabinet to wall.

Installation of Gel Cup:

1. Remove cabinet cover using a coin or screwdriver by depressing slot under fan cabinet.
2. Remove foil cover on gel cup.
3. Place gel cup into fan cabinet by sliding onto slotted shelf.
4. Insert one or two "D" cell batteries into the unit depending on how long you want the fan cabinet to operate.
5. Activate the 30 day timer by depressing the red timer button. **IMPORTANT:** Do this every time the gel is changed.
6. Place cover on fan cabinet.
7. Select AUTO position for light sensor to function. Select ON to operate fan cabinet 24 hours a day. Select OFF if you do not want the unit to operate at all.

IMPORTANT: When changing batteries, reinsert new battery(s) within "one" minute.
