

Eliminate Mold & Mildew Stains

Mold & Mildew Stain Remover quickly penetrates and removes stubborn mold and mildew stains on tile, grout, porcelain, fiberglass, and all non-porous areas. Leaves the surfaces clean and stain free.

Mold & Mildew Stain Remover harnesses the cleaning power of an inhibited (safe) hydrochloric acid coupled with a new surfactant technology used to clean degrease aircraft engines. Effectively lifts stains and prevent their reoccurrence.

With regular use, **Mold & Mildew Stain Remover** will create an acidic environment which is not favorable for the growth of common mold species.

Eliminates-

Mold stains, soap scum, dirt & hard water build-up

- **Bleach, Phosphoric acid and caustic soda FREE**
- **Safe and user friendly**
- **Low VOC - No harmful fumes.**
- **Pleasant, low impact odor** for use in confined spaces
- **Non-corrosive**

DIRECTIONS: Use in well ventilated areas.

1. Spray stained area with **Mold & Mildew Stain Remover**.
2. Agitate stained area with a brush and rinse thoroughly with water.
3. For more difficult stains, it may be necessary to repeat Steps 1 and 2.

Note: Avoid prolonged contact with clothing, fabric, metals and painted surfaces.
