

# An Effective Alkaline Spot And Stain Remover

**Berry Buster** is an alkaline spotter for effective removal of protein based stains. **Berry Buster** breaks down proteins in blood, eggs, milk, chocolate, baby formula, cheese sauce, cream, pudding, vomit, ice cream, baby food and other protein stains so they can be easily rinsed away.

**Berry Stains**  
Eggs  
Gravies

**Food Dyes**  
Butter  
Blood

**DIRECTIONS FOR USE** Shake well before using. Test fabric in inconspicuous place for color fastness before using.

1. Wet spot with **Berry Buster**. Work gently into spot with spatula or bone tool.
2. Blot up into a clean white towel or paper towel.
3. Repeat if necessary.
4. Rinse several times with plain water and absorb into a clean paper towel or towel after each rinse. Cover spot with a clean towel and apply pressure or non-bleeding weight.
