

Neutralize Industrial, Commercial And Agricultural Odors

Years of testing have proven Nilecho's strength and efficiency. Oil-soluble Nilecho is an economical solution for severe agricultural, industrial and commercial malodors.

Nilecho is 100% active, environmentally safe, and may be used in proximity to animal feeding areas. Nilecho is "acceptable for use in inedible product processing areas, nonprocessing areas, and/or exterior areas of official establishments operating under the federal meat, poultry, shell egg grading, and egg products inspection programs."

Oil soluble **Nilecho** may be used full strength or diluted with mineral spirits. It is formulated for most thermal fog and/or vapor equipment.

Suggested Uses and Directions:

APPLICATIONS	PROBLEMS	DILUTION	RECOMMENDATIONS
Drain	Trap odors	Straight	Pour 1-3 oz. in drain for temporary relief of trap odors.
Fire	Permanent relief of smoke/burnt odors	Straight	Use with fogging equipment to eliminate smoke or burnt odors permanently. May also be applied directly to burnt surfaces. Use thermal fogger for optimum results.
Insecticides	Inherent odor	1-2 oz.: gal.	Add to oil-based insecticides to eliminate inherent odor of insecticides.
Paint	Paint fumes	1/2-1 oz.: gal.	Add Nilecho to oil-based paint to eliminate paint fumes during and after application. (Use Nilium for elimination of latex paint fumes.)
Restrooms	Outdoor restroom odor	Straight	May be sprayed in outdoor restrooms.
Sewer	Sewer/pond odor	1 qt.: 10,000 sq. ft.	Drip into sewer or pond for deodorization of obnoxious sewer odors.
Machine Cutting Oils	Rancid odor	2 oz.: 16 gal.	Add to oil-based cutting fluids to eliminate rancid, heavy odor.
