

A Fast And Easy Way To Remove Rust From Carpets

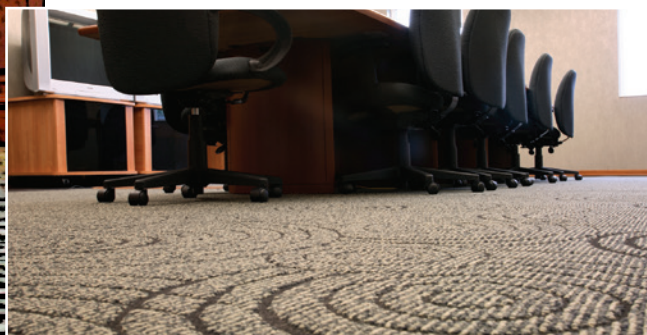

Rust-Out is an effective oxalic acid rust remover for fabric and fiber areas. Also removes other metallic stains, wet ink, caramelized sugar and tannin stains.

DIRECTIONS FOR USE

Shake well before using. Test fabric in inconspicuous place for color fastness before using.

1. Sparingly apply **Rust Out** to the rust stain.
2. Blot excess rust remover up into a white towel.
(Agitation may be necessary)
3. Repeat if necessary until stain is removed.
