

# Remove Soils, Stains and Odors from Your Carpeting

Super N **Carpet Extractor** is a neutral cleaner that contains defoamers and a proprietary odor counteractant. It brings carpet and upholstery to original luster and eliminates any malodor. Safe to use on all water-safe carpets including those with stain resistant warranties.

**For Portable Machines:** Add 1 oz. (30 ml) of product to 1 gallon (3.785 L) of water for normal soil. Increase to 3 oz. (90 ml) for heavily soiled conditions.

**Use full strength as a spot remover.**

**For Truck Mount Units:** Add 8 oz. (237 ml) of product to 5 gallons (18.9 L) of water. Meter solution according to soil conditions. Follow machine manufacturer's directions.

Diluted pH 7

Super N **Carpet/Upholstery Shampoo** is a neutral cleaner and safe to use on all water-safe carpets, including those with stain resistant warranties. It contains grease solvers and a proprietary odor counteractant enabling it to deodorize while it cleans.

**For Carpet:** Vacuum carpet before cleaning. For normal soil, mix 1 oz. (30 ml) of **Shampoo** with 1 gallon (3.785 L) of water. For heavily soiled areas, mix 2 oz. (60-ml) of **Shampoo** with 1 gallon (3.785 L) water. Place foil under furniture legs until carpet is completely dry. Follow manufacturer's directions when using electric scrubber. Vacuum after carpet is dry.

**For Upholstery:** Vacuum before cleaning. Mix 1 oz. (30 ml) of **Shampoo** to 1 gallon (3.785 L) of water. Using sponge or soft brush, apply to upholstery in circular, overlapping strokes. Wipe with moist towel in one direction. Allow to dry. Do not use on velvet.

Diluted pH 7

Super N **Spot & Stain Remover** contains a proprietary odor counteractant enabling it to deodorize while it removes stains. Effectively cleans soiled traffic lanes, pet stains, upholstery and fabrics. Safe to use on all water-safe carpets, including those with stain resistant warranties.

•Pet Stains •Food Spills •Traffic Lanes

While stain is fresh, remove all surface matter by blotting moisture. DO NOT RUB.

Saturate stained and nearby areas with **Spot & Stain Remover**.

Wait 30 seconds, then blot with absorbent cloth.

Sponge area with cold water.

Allow area to dry thoroughly, brush and vacuum.

Difficult stains may require second application. Excellent additive to carpet cleaners and shampoos at 1 oz. per gallon of cleaning solution.

Diluted pH 7

## Suggested Uses and Directions:

APPLICATIONS	PROBLEMS	PRODUCT	RECOMMENDATIONS
<b>Automobiles</b>	Soil, stain, odor on carpet, seats. Pet odors, etc.	Carpet Extractor, Carpet/Upholstery Shampoo, Spot/Stain Remover	Dilute and apply Shampoo or Extractor to bring carpet and seats to original luster and eliminate any malodor. For severe stains and odor apply Spot/Stain Remover and blot. Ideal for pet odors and stains.
<b>Carpet</b>	Embedded grime/soil	All	Dilute and apply product as needed for clean and fresh smelling carpet/rugs. Spot/Stain Remover works great as a traffic lane spotter.
<b>Furniture</b>	Trapped odor/heavy soil	Carpet Extractor, Carpet/Upholstery Shampoo, Spot/Stain Remover	Dilute and apply Shampoo to rejuvenate luster and eliminate trapped odor. Spray Spot/Stain Remover on accidental spills and odors, scrub, then blot with towel.
<b>Fire</b>	Smoke odors	Carpet Extractor, Carpet/Upholstery Shampoo, Spot/Stain Remover	Dilute and apply Shampoo to remove smoke residue and odor. Apply Spot/Stain Remover to stubborn water stains and odors. Use Nilodor Carpet Extractor in any type of Extractor Unit for a thorough, effective solution to widespread fire damage.
<b>Mold/Mildew</b>	Dampness, stain, odors	Carpet Extractor, Carpet/Upholstery Shampoo	Use Carpet Extractor or Carpet/Upholstery Shampoo on mold/mildew-prone carpets to eliminate musty odor.
<b>Pet</b>	Trapped odor/dirt stains	All	Use recommended dilution to safely remove tough odors and stains from pet's favorite areas of the home.
<b>Public Transport</b>	Dirt, moisture, odor	Carpet Extractor, Carpet/Upholstery Shampoo, Spot/Stain Remover	Cleans up tracked-in dirt and neutralizes the musty odor of damp carpet. All three products are great for maintaining a clean, fresh-smelling environment.
