Commercial Vacuums for property management

Experience the DVac cleaning solution™
Deluxe Rim Caddy’s organized storage of cleaning supplies makes an extra trip to the supply closet unnecessary.

Holds two can liners for collecting recyclable and general waste, eliminating a separate waste collection pass through an area.

A powerful commercial grade vacuum is integrated into the dolly to maximize one pass productivity.

At 65.3 dBA, DVAC 1 Pass Cleaning Solution’s™ quiet operation supports day cleaning.

DVAC Combines vacuuming, cleaning, and waste collection into an efficient, single-pass process, saving up to 66% of non-productive travel time.

DVAC 1 PASS CLEANING SOLUTION™
Introducing a revolutionary new concept in cleaning. DVAC 1 Pass Cleaning Solution™ combines multiple cleaning steps into one, eliminating non-productive labor time to save you money.

- OPTIMIZE PRODUCTIVITY
  Make waste collection more efficient with a vented BRUTE® 44-Gallon Utility Container (sold separately).

- USE FOR DAY CLEANING
  Very quiet operation, perfect for noise-sensitive environments and day cleaning.

- PROTECT AIR QUALITY
  Optional HEPA bag helps protect indoor air quality for greener operation.

- CLEAN EFFECTIVELY
  On-board crevice, upholstery and dusting tools included.

- WORK EFFICIENTLY
  Floor Switch on straight suction model allows user to easily change surface selection from carpet to hard floor.

DVAC 1 Pass Cleaning Solution™— Power Nozzle Model with Deluxe Rim Caddy
SKU: 9VDVPN4400
Air Flow: 110 cfm
Water Lift: 100"
Noise Level: 65.3 dba
Total HP: 1.55 (9.5 AMPS)

DVAC 1 Pass Cleaning Solution™— Straight Suction Model with Deluxe Rim Caddy
SKU: 9VDVSS4400
Air Flow: 110 cfm
Water Lift: 100"
Noise Level: 65.4 dba
Total HP: 1.3 (8 AMPS)

POWERFUL DESIGN
Dedicated powered power nozzle handles multiple carpet heights and types.

SUPPORTS RECYCLING EFFORTS
Holds up to 175 lbs of waste and recycling in two easy-to-install can liners.

WORK SAFER, WORK SMARTER
DVAC's ergonomically designed arched handle keeps the user's wrist and forearm bones aligned for optimum leverage and maneuverability. Safer operation with less risk of injury helps reduce worker compensation claims and lost time.

Smarter Performance & Productivity

Dirty Air and Debris
Never Contact the Motor!

PROVIDES MAXIMUM PERFORMANCE
AND EXTENDED PRODUCT LIFE

3-Layer Filter Bag + Single Layer Air Filter + Exhaust Filter = 5-Layer FILTRATION SYSTEM FOR IMPROVED AIR QUALITY

QUIET, EFFICIENT CLEANING
Both Manual and Power Height Upright Vacuums support day and night cleaning with these standard features:

- QUIT OPERATION
  Supports day cleaning and use in sensitive environments.
- ON-BOARD TOOLS
  Crevice tool and upholstery brush are stored on board.
- FULL BAG SENSOR
  Tells user when bag needs to be replaced, making cleaning more effective.
- BRUSH ROLL JAM SENSOR
  Electronic jam sensor shuts down motor so jam can be cleaned. Motor is ready to operate immediately, no wait time for motor to cool!
- LEED POINT QUALIFIED
  Power Height and Manual Height Upright Vacuums qualify for LEED EB CR 3.7.

ADVANTAGES OF DUAL MOTOR STRENGTH
Rubbermaid Power Height Upright Vacuum with two motors (1.6 hp vacuum motor and 2 hp brush roll motor) provides single-pass cleaning performance:

- AUTOMATIC SHUT-DOWN
  Brush roll motor automatically stops rotating when handle is in the upright position, protecting carpet.
- AUTO-HEIGHT ADJUSTMENT
  Eliminates interruption to manually change height positions for varying floor surfaces.

HEPA FILTERS TRAP 99.97% of particles .3 microns or larger

- Dust Mite
- Heavy Industrial Dust
- Pollen
- Pet Dander
- Mold
- Yeast
- Mold
- Bacteria
- Pollen
- Dust Mite

3-Layer HEPA Filter Bag

Manual Height Upright Vacuum Cleaner SKU: 9VMH150000
Air Flow: 105 CFM
Water Lift: 98”
Noise Level: 68.2 dBA

Power Height Upright Vacuum Cleaner SKU: 9VPH150000
Air Flow: 105 CFM
Water Lift: 98”
Noise Level: 67.7 dBA
Total HP: 1.8 (11 AMPS)

Also available with a 12” cleaning path (9VMH120000).

Also available with a 12” cleaning path (9VPH120000).
Smarter Comfort

**Backpack Vacuum Cleaners**

Efficiently and quietly clean and maneuver around obstacles. Frame design keeps motor and its heat away from the body and promotes air flow for more comfortable use.

- **Lift Handle**
  - Provides easier handling during bag changes.

- **Reduces Fatigue**
  - Large backpack frame distributes weight evenly on hips to reduce worker fatigue.

- **Maximum Comfort**
  - Adjustable harness with extra-thick cushioned padding provides comfort and support.

- **Promotes Air Circulation**
  - Mesh fabric allows air to freely circulate and helps keep user's body cool.

**Traditional Upright Vacuum Cleaner**

Six-position carpet-height adjustment control dial and flat-to-floor positioning makes cleaning more productive. Features metal handle tube and bottom plate for durability.

- **Easy to Maintain**
  - Simply flip two switches (no tool required) on the bottom plate to replace belt or brush roll on the spot, eliminating lost service time.

- **Smarter Durability**

Two (2) Year Limited Parts / One (1) Year Limited Labor Warranty
To the consumer, Rubbermaid Commercial Products, LLC (RCP) warrants to the original owner that this product is free from defects in material and workmanship for a period of two (2) years from the date of the original purchase. If within the first year of the two year period this product becomes defective when used as directed under normal conditions, RCP will either repair or replace the product, covering all parts and labor costs. Within the second year of the two year period, only the cost of parts is covered in the event of a warranty claim. Product must be accompanied by a proof of purchase—a bill of sale, receipted invoice, or other proof that the product is within the warranty period—to obtain warranty service. RCP shall bear the cost of repairing/replacing the product and shipping it back to you. RCP makes no other warranties, express or implied, concerning the product or the merchantability or fitness thereof for any purpose.

This warranty does not apply to product that has been damaged as a result of improper maintenance, accident or other misuse. This warranty is void if the product is repaired or modified in any way by anyone other than an authorized service center. This warranty also does not cover normal wear items such as the following: brush, brush rolls, switches, belts, bags, filters, power cords, casters, wheels, and gaskets. This warranty does not cover unauthorized repairs. In no event shall RCP be liable for incidental or consequential damages.

For product replacement information, or questions regarding replacement parts, please contact customer service directly (within USA & Canada) at 1-866-524-5233.

Legal rights vary from state to state, so the above limitations may not apply to you if precluded by local law.

One (1) Year Limited Parts & Labor Warranty
To the consumer, Rubbermaid Commercial Products, LLC (RCP) warrants to the original owner that this product is free from defects in material and workmanship for a period of one (1) year from the date of the original purchase. If, within the one (1) year period, this product becomes defective when used as directed under normal conditions, RCP will either repair or replace the product—at our option—when it is returned complete (postage prepaid and insured) to an authorized service center. Product must be accompanied by a proof of purchase—a bill of sale, receipted invoice, or other proof that the product is within the warranty period—to obtain warranty service. RCP shall bear the cost of repairing/replacing the product and shipping it back to you. RCP makes no other warranties, express or implied, concerning the product or the merchantability or fitness thereof for any purpose.

This warranty does not apply to product that has been damaged as a result of improper maintenance, accident or other misuse. This warranty is void if the product is repaired or modified in any way by anyone other than an authorized service center. This warranty also does not cover normal wear items such as the following: brush, brush rolls, switches, belts, bags, filters, power cords, casters, wheels, and gaskets. This warranty does not cover unauthorized repairs. In no event shall RCP be liable for incidental or consequential damages.

For product replacement information, or questions regarding replacement parts, please contact customer service directly (within USA & Canada) at 1-866-524-5233.

Legal rights vary from state to state, so the above limitations may not apply to you if precluded by local law.

NATIONWIDE COVERAGE
Certified Rubbermaid Commercial Products Vacuum Service Centers are located across the United States.

DEFECTIVE PRODUCT RETURNS
Customers can schedule returns by calling Customer Service at 1-866-524-5233. Customer Service will issue a return authorization number. Customers must ship the product to a Distribution Center. Then, a new product will be shipped to the customer.

REQUIRED INFORMATION
Customers will need to provide the product serial number along with proof of purchase for all warranty claims.

The serial number and Customer Service telephone number are located on every vacuum on the product identification label.

The serial number is also located on the product packaging.
